INTERCOM DIRECTORY FORM

Fill out the form below with the numbers you would like programmed on the intercom directory.

On both directories, your last name will show first along with the initial of your first name. There will be a 3 or 4 digit number assigned to you and will show up next to your name on the directory. Please note that the number assigned to you will differ in both directories (contact the office for your assigned number). Your guest can dial your assigned number and the system will call your phone. Once you answer your phone and identify your guest, press "5" and the gate/door will open. **(For 39821, Building 8, press "9".)**
